DIRECTOR OF CENTRAL INTELLIGENCE
Science and Technology Advisory Panel

28 OCT 1981

MEMORANDUM FOR: Director of Central Intelligence

FROM

:

[REDACTED]
Chairman, Science and Technology Advisory
Panel

SUBJECT

:

Request for Approval to Approach
Individuals to Serve as Members
of DCI's Science and Technology
Advisory Panel (STAP) [REDACTED]

REFERENCE

:

[REDACTED]

1. Action Requested: Your approval of the
recommendation in paragraph 6. [REDACTED]

2. Background: In view of the time required to obtain
replacement members of your S&T Advisory Panel (STAP), it is
reasonable to have a few persons approved by you in advance
of the actual need. [REDACTED]

3. Based on their particular experience and areas of
specialty, are recommended for your approval. These names
have been discussed with Admiral Inman and have his
approval.

[REDACTED]

4. After your approval and when the need arises, an
approach will be made to one or more of the individuals
above. If an individual expresses interest, I will then
send to him the appropriate paper work to engage him as a
member of the panel (SEFI, Conflict of Interest Statement,
authorization to Release Information, and Personal History
Statement). Later an official invitation will be prepared
for your signature. [REDACTED]

5. Staff Position: The services of these proposed STAP members cannot be met by using onboard personnel. Their proposed utilization has been coordinated [] and preliminary clearances from the Office of Security have been received. Each individual's service on STAP probably will be about 10 and no more than 25 days a year. Each member is paid travel and per diem expenses and some accept consultant's pay at a daily rate of the top step of a GS-15. []

6. Recommendation: That you approve these individuals for us to approach as needed for new members of STAP. []

[]

APPROVED:

William J. Casey
Director of Central Intelligence
30 OCT 1981
